

The Romance of a Shop
Amy Levy

Praised by Oscar Wilde amongst other contemporaries, Amy Levy's first novel tells the story of the four Lorimer sisters, who decide to open their own photography business after the death of their father which has left them in poverty. The novel examines the opportunities and difficulties of urban life for the "New Woman" in the late nineteenth century. Not only was Levy unusual as a female novelist in this period, but she was also from an Anglo Jewish family. - Summary by Jane Gough
